

MTHSA REUNION TRANSPORTATION GUIDE

AIRLINE TRANSPORTATION INFORMATION: The closest airport is McCarran International Airport (LAS) approximately 25 minutes from the hotel. LAS is served by most major commercial carriers: visit the airport's [website](https://www.mccarran.com/Fly/Airlines.aspx) - <https://www.mccarran.com/Fly/Airlines.aspx> - for the full list of airlines.

GROUND TRANSPORTATION INFORMATION: Full shuttles, rental cars, and other ground transportation are also available at the airport. For more information, visit the Airport's [Transportation Webpage](https://www.mccarran.com/go.aspx) - <https://www.mccarran.com/go.aspx>.

We checked into local companies with shuttle service from/to the airport and we have made arrangements with 2 of them, Earth Limos & Bell Trans, to be available for reservations in advance for our reunion group. If we book through them using the code- **MADRID HIGH SCHOOL** you will receive a 10% discount on your cost of transportation. They provide shuttle service to/from the airport, plus you can make personal arrangements for tour packages to visit local sightseeing areas outside of the reunion events as well.

Both companies have a variety of vehicles available depending on your group size traveling, including Sedans (3 passenger), SUVs (6 passenger), or Vans (12 passenger). You can also upgrade to a Limo ride or Party Bus if you want to splurge. Coordinating and carpooling to share rides with fellow friends/alums is strongly recommended to reduce your cost per person. They charge per vehicle (taxes, fees, & gratuities all included) for the ride to/from the hotel, so think of it as hitching a ride with your friends to get to the party together!

Uber and Lyft are also available at competitive low prices from the airport. Taxis are very expensive, so you may want to opt for Uber or Lyft services instead. They have vehicles for 2, 4, & 6 passengers available, and have limited operating times, so check their website before booking.

CONTACT INFO: We recommend you call in to make your transportation reservations, as the discount rate will not be available online at the websites. Their websites are provided here so you can look at the vehicle options, however the costs listed there are only for travel from the airport to the Las Vegas Strip hotels. The Westin Resort at Lake Las Vegas is 15 miles east of town, so the special 10% discount prices to our hotel will be available by calling only and providing our code. Be sure to let them know how many are in your party with you as well, to reserve the best vehicle required, or desired.
